*\*\*\*All fields are compulsory. Incomplete registration form will be considered void.*

**Terms & Conditions:**

1. Entry submission must be submitted by individual or maximum of THREE (3) persons per group.
2. Each institution may select the Best FIVE (5) entries to participate in this competition.
3. Complete SolidWorks or CATIA database is required to be submitted. Incomplete database will result in penalty.
4. Entries will be judged by panel of judges, comprising of the representatives from IME Group of Companies, and industry partners.
5. The participating institution or company shall approve the use of images created from parts and assemblies provided by the student or engineer participant for use in marketing materials to be produced by the organizer and its assigns. Student or engineer participant grants the organizer and its affiliates, and assigns, the right to use, reproduce, or incorporate in any manner whatsoever all or any portion of the aforementioned images. The student or engineer participant represents and warrants that the materials are owned by the student or engineer participant free and clear of any liens or claims of any third-party, that the student or engineer participant has a legal right to grant the permission herein given, and the student or engineer participant will indemnify and hold harmless the organizer, its affiliates, assigns, agents, and employees, against liability should any third-party claim that the use of the materials by the organizer and its affiliates, assigns, agents, and employees, violates any right of such third party to the materials. The participating institution shall hereby grant the organiser permission to cite this institution on a general client list for possible distribution to the press, analysts, prospects, and other customers.
6. The participating institution or company shall hereby grant the organizer permission to cite this institution or company on a general client list for possible distribution to the press, analysts, prospects, and other customers.
7. The organizer shall not be held liable and responsible for any damages or claims for any damages or loss of documents or products before or after the competition.
8. All participants are encouraged to register their designs under the relevant industrial design and intellectual property laws in force in Malaysia and to keep all documentations as proof of ownership before sending and displaying their designs to the organizer.
9. The organizer shall inform the participants if their submissions are selected for further development.
10. The organizer and/or panel of judges reserve the rights to alter competition terms and conditions which deemed necessary, in the best interest of this competition.

I / We agree to terms outlined above and submit my/our Design Contest Entry for consideration to IME Group of Companies.
